

**No** : BA23-2/LoA/XXIII-08/A198BSY2121  
**Re** : Letter of Acceptance

**Dear Harris Abdillah Faqih,**

Following your registration and our subsequent rigorous selection process, we have the pleasure of informing you that you have been confirmed as a Bangkit Academy 2023 batch 2 participant with details as follows.

**Name** : Harris Abdillah Faqih  
**NIM (Nomor Induk Mahasiswa)** : 422021611031  
**Campus** : Universitas Darussalam Gontor  
**Study Program** : Teknik Informatika  
**Registered Supervisor** : Dihin Muriyatmoko, S.ST., M.T.  
**Bangkit ID** : A198BSY2121  
**Learning Path** : Mobile Development  
**Program Period** : 14 August 2023 - 26 January 2024

Bangkit is a Google-led career readiness program held in collaboration with Gojek, Tokopedia, and Traveloka. Affiliated with Studi Independen Bersertifikat - Kampus Merdeka, this program runs in the odd semester 2023.

We have selected you and all other participants with full confidence in your ability to be successful studying tech skills, soft skills, and English for professionals during his/her 900 study hours in Bangkit (August 2023 - January 2024). If you pass Bangkit graduation criteria, you will earn up to 20 university credits (SKS) and many other benefits that are unique to this program.

Congratulations! We look forward to your study progress and wish you all the best in your new study milestone in Bangkit.
